

Steps to Update RELY Accounting Software (DOS based) for GST [OFFLINE Mode]

- 01. Know your Product Name,
- 02. Download Update from our website.
- 03. Update the Software.

1. Know your Program Name:

To get your program name,

- a. please right click on RELY SOFTWARE shortcut and select properties. By default your pointer or cursor would be at "Target" field.
- b. Note down the name of the file on paper or save it in a text file using Notepad. It would be something like **VNOR64.EXE** or **NBW64_7.EXE**
- c. Once you get your program name, you should locate the PC having internet and keep a pen drive handy to copy the update on this pendrive.

2. Download Update from Website

- a. To download **Rely** GST update, visit www.tripta.in select **GST**
- b. click on Download Updates or click [Here](#)
- c. After clicking download link you will be prompted to enter following details
 - i. **Product** : Select **Rely**
 - ii. **Name** : Enter your name
 - iii. **Email** : Enter your email address registered with us
 - iv. **Mobile** : Enter your mobile number registered with us
 - v. **Program** : Enter the Program name
- d. Click on by **Send OTP**, An OTP will be sent to your mobile number.
- e. Enter the OTP and Click on **Submit** to download the file.
- f. Copy this file to the pen drive and take the pen drive to the computer where the RELY is installed.

3. Update the Software:

- a. Copy the downloaded update file (e.g. NBW64.zip) from pen drive to the **D:\Update** folder. If RELY is installed in different drive use that drive letter instead of **D:**
- b. Start **RELY**, Select **Utilities** from **RELY** Main Menu.
- c. Select **Update program** and then **Offline**.
- d. Enter **drive letter** where **update** folder is located. (e.g. D:\)
- e. After verifying update path your program will get updated.

4. Suggestions & Feedback:

- a. Though Your software is successfully updated for GST, but it is highly recommended that you should procure internet in your computer for getting faster updates. From your mobile, you can view the latest manuals
- b. For Any feedback on this Document, please send messages at support@tripta.in OR whatsapp 9723 403 403 OR call at 0261-2353221.

Thank you
